

Mridula Iyer

Managing Director

Head - Treasury & Trade Solutions (TTS) for Citi South Asia

Mridula Iyer is head of Treasury & Trade Solutions (TTS) for Citi South Asia, covering India, Bangladesh and Sri Lanka. TTS serves Citi's Corporate, Institutional and Mid- Market clients to provide them with Cash Management, Trade Finance and Working capital efficiency solutions.

She started her career with Citi in 1996 and over the past 22 years has worked in multiple roles in diverse businesses across Cash Management, Trade and Securities Services, as well as Compliance. Prior to this role, Mridula was Head of TTS Cash Products, where she led the growth of Citi India's cash business with a focus on innovation and digital capabilities for clients.

She has vast experience in banking and financial services having worked in diverse functions across Sales, Product Management, Operations and Compliance. She has been a key member of the TTS India and South Asia management team.

A Chartered Accountant by qualification, she has a Bachelor's degree in Commerce from Mumbai University.
