

Small Industries Development Bank of India (SIDBI) is the Apex Development Financial Institution (DFI) in the country for Promotion, Financing & Development of the Micro, Small and Medium Enterprises (MSME) sector- which is one of the most important growth engine of Indian economy. SIDBI is running major impact initiatives in the field of Institutional credit, venture capital , credit guarantee, micro credit, MSME credit, digital initiatives, government program management, etc. SIDBI's operations are well differentiated from commercial banks and are a blend of development and finance. In view of the \$5 trillion economy vision for India, SIDBI has targeted to have balance sheet of Rs 5 trillion by 2025 and also manage some new disruptive impact initiatives. SIDBI's current programmes include Institutional credit, Digital Direct Credit, Green Financing, Venture Capital/ Fund of Funds, Micro Lending, MSME Cluster development, GST Sahay App and ONDC platform to facilitate market linkages. SIDBI is also embarking on a major digital project to register the vast segment of informal micro enterprises on the Udyam portal of Ministry of MoMSME, which will open new doors of opportunities for millions of MSMEs. The Bank has undertaken various initiatives viz MSME Pulse (with CIBIL), CriSidEx (with CRISIL), Microfinance Pulse (with Equifax), Industry Spotlight & Fintech Pulse to address information and provide directional support to policy makers. SIDBI's P&D initiatives are woven around Mission Swavalamban, which is an umbrella framework for stimulating the entrepreneurship culture and supporting various livelihood and entrepreneurship programmes. The activities are categorized under four National Program Buckets of Entrepreneurship Courses & Skilling Courses, Enterprise Creation (E2E solutions) , Enterprise Promotion and Development and Innovation Ecosystem - Upcoming Priorities.
